Healthcare Close to Home

World-Class Care within Reach

Living in Bridgeville offers something especially valuable as healthcare needs change:

CHOICE

A guide to hospitals, urgent care, specialty medicine, veterans medical centers, and advanced academic medical centers accessible from Bridgeville, Delaware.

Everyday Care Close to Home

For routine care, lab work, specialist visits, urgent needs and hospital services, residents have healthcare resources in Bridgeville and nearby Seaford.

TidalHealth Bridgeville Pavilion | Bridgeville, DE

Convenient outpatient care located right in Bridgeville.

- Primary care and internal medicine
- Nephrology / kidney care
- FamilyLab outpatient laboratory services
- Located in the Club House at Heritage Shores

TidalHealth Nanticoke | Seaford, DE

A full-service community hospital serving Sussex County with 24/7 emergency care and a broad range of inpatient, outpatient and specialty services.

- Emergency care
- Surgery and hospital services
- Cancer treatment
- Imaging, laboratory, wound and other outpatient services

TidalHealth Urgent Care | Seaford, DE

A convenient option for illnesses and injuries that need prompt attention but do not require an emergency department.

Regional Hospital & Specialty Choices

Bayhealth Hospital, Sussex Campus | Milford, DE

A 24/7 hospital and Emergency & Trauma Center with a large outpatient and specialty-care campus.

- Cancer care
- Cardiology and vascular services
- Orthopedics
- Gastroenterology and urology
- Advanced imaging and rehabilitation

Beebe Healthcare - Margaret H. Rollins Lewes Campus | Lewes, DE

Beebe's main medical center, with a 24/7 emergency department, inpatient hospital services and extensive specialty and surgical capabilities.

- Level III trauma emergency care
- Cardiac and vascular care
- Orthopedics and surgery
- Robotic and hybrid operating rooms
- Imaging, lab and outpatient services

VA Medical Centers - VAMC

Nearest VA Outpatient Clinic

Sussex County VA Clinic

Address: 21748 Roth Ave, Georgetown, DE 19947
Drive Time: About 20-minutes (16 miles) east of Bridgeville
Services: Primary care, mental health care, telehealth, lab work, podiatry and optometry

Nearest Full Service VA Hospital

Wilmington VA Medical Center

Address: 1601 Kirkwood Hwy, Wilmington, DE 19805
Drive Time: About 1½ hour north of Bridgeville
Services: Full hospital care, emergency room, inpatient surgery and specialized medical clinics

Advanced Regional Care

TidalHealth Peninsula Regional | Salisbury, MD

A major Delmarva referral hospital offering advanced specialty care beyond routine community-hospital services.

- Heart and vascular care
- Cardiothoracic and vascular surgery
- Cancer care
- Neurosurgery
- Joint replacement and spine care

University of Maryland Shore Regional Medical Center | Easton, MD

The new, state-of-the-art hospital is scheduled to open Summer 2028. Easton, MD is 30 miles from Bridgeville, DE.

Luminis Health Anne Arundel Medical Center | Annapolis, MD

A major regional medical center that expands the range of specialty and hospital choices available to residents traveling west toward the Baltimore-Washington region.

- Cancer care
- Heart and vascular care
- Orthopedics and joint care
- Surgical and specialty services

World-Class Academic Medicine within Reach

For complex diagnoses, highly specialized procedures, second opinions and advanced treatment, Bridgeville is within driving reach of nationally known academic medical centers in Baltimore and Philadelphia.

The Johns Hopkins Hospital | Baltimore, MD

A world-renowned academic hospital and referral center affiliated with the Johns Hopkins University School of Medicine.

- Cancer care
- Cardiology and cardiac surgery
- Neurology and neurosurgery
- Geriatric medicine
- Transplant and complex surgery
- The Wilmer Eye Institute
- Research and clinical trials

University of Maryland Medical Center | Baltimore, MD

A major academic medical center for complex and advanced care, including cardiovascular medicine, cancer, neurosciences, transplantation and critical care.

- Advanced heart and vascular care
- Cancer care
- Neurology and neurosurgery
- Organ transplantation
- Complex surgery and critical care

Medstar Georgetown University Hospital | Washington, D.C.

MedStar Georgetown University Hospital has been recognized by U.S. News & World Report, earning a #1 ranking for cancer care in the Washington metropolitan area.

Philadelphia: Another Option for Highly Specialized Care

Philadelphia is farther from Bridgeville than the local and Baltimore-area options, so it is best viewed as an additional destination for planned specialty treatment, complex cases or second opinions - not routine or emergency care.

Hospital of the University of Pennsylvania (Penn Medicine) | Philadelphia, PA

Penn Medicine's flagship academic hospital provides tertiary and quaternary care across a wide range of complex medical and surgical specialties.

- Cancer care
- Heart and vascular medicine
- Neurology and neurosurgery
- Transplantation
- Complex surgery and specialty medicine

Thomas Jefferson University Hospital | Philadelphia, PA

A major academic medical center offering advanced specialty and surgical care in Center City Philadelphia.

- Neuroscience
- Cancer care
- Orthopedics
- Heart and vascular care
- Advanced surgery and specialty medicine
